CARROLL COUNTY

State of Maryland vs. Rachel W. H. s Case No. D402-CR-22-00073

Age: 22 Highest Level of Education: HS Read & Write English: Yes

Waiver of Rights

In order for the Court to accept my guilty plea or not guilty agreed statement of facts in this matter, I understand and acknowledge the following: (Read each statement and place your initials on each line)

RW I know I am charged with a crime for which I could be put in jail – specifically, I am charged with 2nd Asslt which carries a maximum penalty of 10y To. 1 / \$2,500.

RW I understand that the judge is not bound to follow the recommendation of either the State or my defense counsel, but is free to impose any penalty up to the maximum.

RW I know that I am giving up the following important rights by entering a plea of guilty:

RW The right to a trial by a judge or a jury of 12 citizens selected at random from the voter and motor vehicle polls of Carroll County. In a jury trial, all 12 jurors would have to agree on a verdict of guilty or not guilty.

RW The right to be proven and found guilty beyond a reasonable doubt – either by judge or jury.

RW The right to face and cross-examine the witnesses against me.

RW The right to call witnesses of my own.

RW The right to testify in my own defense.

RW The right to remain silent, and not have that silence considered as evidence of guilt.

RW I know that if I was on parole or probation at the time of this offense, this plea could violate that probation or parole.

PW I understand the plea agreement which has been announced in open court. Other than the plea agreement, no one has made any promises or inducements to cause me to plead guilty.

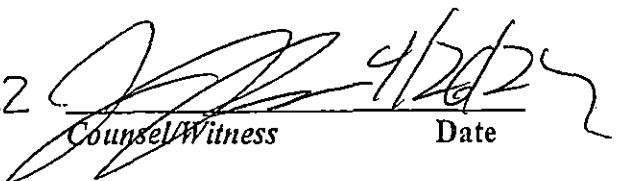

PW No one has threatened me or forced me to enter this plea.

PW All of these matters have been explained to me, and any questions I may have had have been answered.
